

Marine Engineer

Job Title: Marine Engineer (shore based) - Small Commercial Passenger Vessels

Location: Toronto

Position Type: Full-time

Company Description:

Our client, a premier yacht charter/excursion company based in the heart of downtown Toronto at Harbourfront Centre, is seeking a licensed and experienced marine engineer to care for a 2-vessel fleet of certified passenger vessels.

Job Description:

The Marine Engineer will be responsible for overseeing the operation, maintenance, and repair of all mechanical, electrical, and plumbing systems on board two 30-meter passenger excursion vessels. This position is based in Toronto and supports vessel operations in Toronto's inner and outer harbour.

Responsibilities:

- Conduct regular inspections and maintenance of all mechanical and electrical systems on board, including engines, generators, pumps, and HVAC systems.
- Troubleshoot and repair any mechanical or electrical issues that arise during operations.
- Ensure compliance with all relevant Transport Canada regulations and safety standards.
- Supervise and train junior engineering staff.

- Develop and implement maintenance schedules and procedures.
- Carry-out and document daily checks of vessel systems per company Safety Management System requirements.
- Assist with the development and implementation of long-term maintenance plans including drydockings and major projects.
- Supervise contractors.

Qualifications:

- 4th class Marine Engineer.
- Non-certified applicants with appropriate combination of skills and experience will be considered.
- Minimum of [5] years of experience working as a Marine Engineer on commercial vessels.
- Strong knowledge of marine engineering principles and practices.
- Proficiency in the operation and maintenance of marine engines, generators, and other mechanical, electrical, and plumbing systems.
- Excellent problem-solving skills and attention to detail.
- Ability to work effectively as part of a team.
- Applicants with experience in the small passenger vessel industry will be given strong consideration.
- Applicants holding foreign licenses that are recognized by the Transport Canada Reciprocal Program are encouraged to apply.

Compensation:

- Competitive wage commensurate with level of certification and experience.

Application Instructions:

Please submit a resume and cover letter outlining your qualifications and experience for this position to:
